**Healdsburg Bulldogs Youth Football and Cheerleading provides an opportunity for the youth, ages 5-15 of Healdsburg and surrounding areas, to participate in competitive football and cheerleading. The Bulldogs have been in the Healdsburg community over 30 years and many of our coaches are alumni of the program.**

**The Bulldogs are requesting a tax-deductible donation for our annual raffle that will help us meet our financial needs for the 2010 season. In addition we are extending the opportunity to provide for scholarships for our young athletes. Unfortunately, a longstanding scholarship fund to support local families is no longer available and we need to raise funds to guarantee we can accommodate every child who wants to participate. Additionally, donations have enabled us to buy new equipment over the years to ensure our athlete's safety. As always 100% of monies raised go directly to our program; we are very grateful for any assistance received and put no minimum on what, or how much, you might contribute. Our raffle will be held at our end of the year banquet in November.**

**As parents and board members, we have seen the benefit of athletics and team oriented activities in the lives of our children. We hope that you will be able to become a part of this worthwhile activity by sponsoring our players and cheerleaders in any way that you can.**

**Thank you in advance for your support. Please contact us if you have any questions or need additional information**

**Sincerely,**
